Southwest Florida Wedding Officiant

With over 20 years of wedding experience in SW Florida and 30 years in ministry, I can assure you a professional ceremony that you, your family and guest will all enjoy. I am a wedding officiant service in the Southwest Florida area. I specialize in customized ceremonies, perfect for your destination wedding. I officiate wedding ceremonies, second weddings, renewal of vows, baptisms, baby dedications, anniversaries and more.

From our first contact, I will promise to communicate with you. With the many weddings I have officiated in the past, I will help you to make your "Special Day" one that will be remembered forever and will help your dream wedding come true. If you don't have a wedding planner, I can coordinate the rehearsal for the entire wedding party... **additional fee.**
